

### **The Role of the Zonal Secretary**

The Zonal Secretary is responsible for co-ordinating the conduct of the zonal selection events on behalf of the QBA and for ensuring the currency of the zonal page on the QBA Website.

This requires liaison with and the cooperation of the various clubs within the Zone. This is done by email, telephone and (if possible) zonal meetings (usually held in conjunction with congresses within the Zone) at which each club is represented by delegates.

Zonal Delegates for 2017 are:

**Cleveland Bay** - Cathy Crawford

**Ingham** - Wendy Coe

**Townsville** - Geoff Allen

This Zonal Committee is responsible for formulating regulations that give direction to the Zonal Secretary regarding the conduct of these zonal events.

The Zonal Secretary is guided by the Zonal Committee and reports to:

- The Manager of the QBA,
- The State Masterpoint Secretary, and
- The Zonal Committee (regarding the Zone's finances).
