

Capricorn Zone Format 2022

Zone Pairs. The event is played over two sessions. The preferred format is that each pair plays the same number of boards against every other pair.

Qualifying rounds played as 2 session Howell or Mitchell, seeded so the EW and NS fields are similar in strength, and scored as a multi with either the top six pairs or Top 3 NS and EW progressing from each clubs qualifying round to the final.

Final 6 table full Howell or $\frac{3}{4}$ Howell at Director discretion depending on the number of stationary requirements.

Zone Teams. The event is played over 2 sessions. Each team plays one match against every other team.

Qualifying preferred format is round robin. At the director's discretion matches may be played as a number of stanzas e.g., New England relay or American Whist. The results will be collated into single head-to-head matches. Each match will be scored separately (round robin or stanzas) and the total IMPs converted to VPs. Two or three teams from each club event will progress to the final.

Final will be 4 or 6 team Round Robin

GNOT the event is played over two sessions. Two Qualifying events in Rockhampton and one in Yeppoon

Qualifying. Formats as for Zone Teams. If stanzas a minimum of 5 board matches to be played. Two teams from each club event will progress to the final.

GNOT Final. 6 Teams will play a round robin consisting of maximum number of boards over two sessions.

Other formats require approval by the QBA Tournament Subcommittee
