#### 4. Eligibility

General eligibility\* is based on awards processed as officially released by the ABF and rankings released by NZB in October 2024.

Players must individually meet the eligibility criteria to compete in the events.

This includes Team/Pair events where all players must be under the stated masterpoint range or age as per below.

New eligibility restrictions for 2025 are:

1. New Zealand Players - as at the cut-off date the following eligibility restrictions apply;
  - **Restricted** MUST be below the rank of NZ Provincial Master
  - **Under 500 MPs** MUST be below the rank of NZ Master
2. Overseas Players may only play in Open events unless they provide evidence from their National Bridge Organisation that their ranking (i.e. experience and skill level) is such that warrants entry into a lower division.

Grand Slam players must state their rating when entering the following events. Eligibility includes;

- 54% and under for Novice,
- 56% and under for Restricted,
- 57% and under for Under 500 MPs
- 59% and under for Intermediate
- 62% and under for Under 1500 MPs.

A player may not have previously won two or more ABF events with the same masterpoint restriction, or higher, as the one entered. Notwithstanding, players who have already entered a restricted category at the time of winning their second such ABF event will be deemed eligible.
